2024 – 2025	Memorial İyikli Hospital	Brain and Nerve Surgery Expert
2025 – Get	Lokman Hekim   Istanbul Hospital	Brain and Nerve Surgery Expert

## Areas of Interest

- Degenerative Spinal Diseases
  - Herniated discs in the back and neck
- Spinal stenosis (narrow canal)
- Facet arthropathies
- Spondylolisthesis
- Traumatic Spinal Injuries
  - Vertebral fractures (thoracolumbar, cervical, sacral)
- Spinal instability/ligament injuries
- Spinal cord injuries
- Spinal Tumors
  - Primary (e.g., osteoid osteoma, chordoma)
- Metastatic spinal diseases
- Intradural/intramedullary tumors
- Infectious Spinal Diseases
- Spondylodiscitis

- Epidural abscess •
- Tuberculosis (Pott's disease) •
- Congenital and Developmental Disorders •
- Scoliosis •
- Kyphosis •
- Spina bifida •
- Inflammatory/Metabolic Diseases • Ankylosing  
spondylitis • Osteoporotic  
fractures • Functional/Pain-  
Focused Interventions • Interventional injections •
- Neuromodulation (SCS) •
- Vertebroplasty/kyphoplasty
